Assessor Comments	A quality young line of 510 Mixed sex Australian White lambs. Top of the drop and NO EWE lambs retained. Lambs had a tough start through spring and summer but are really starting to hit their straps now and present in store to forward store condition, Great lambs to take onto heavy trade to export weights or retain the ewes. Lambs are already trained on grain for the past 4 weeks and imprinted with trail feeding. A large 10% tail has been removed from mob.
