Assessor Comments	An outstanding opportunity to put together a big run of 900 2nd Cross lambs being offered in 2 lots of 450 head. All individually weighed 35kg+ and averaged 39.1kg (35-58kg) at assessment after an overnight curfew (95% weighed 35-45kg). These lambs are Aug/Sept '25 drop giving plenty of time to grow out to heavy trade or export lambs, which these will easily achieve. They were trained onto barley throughout January and have had access to barley feeders in the paddock since the start of February, making them the ideal article to go into the feedlot. The Shirley Lambs are proven performers and are highly sought after by repeat buyers - this is an opportunity not to be missed. Please note: these lambs are being offered c/kg liveweight only, please read weighing instructions.
