Assessor Comments	On offer a line of 215 Lambs bred from high indexing White Suffolk and Black Composite Rams with a focus on eye-muscle and growth. This line of lambs represent vendors last draft of 2025 drop seasons lambs. Lambs have been bred on vendors Kangaroo Island Property then moved late December to mainland property to grow on. Please note on day of assessment a small percentage of lambs displayed some scalding from recent fly treatment. A small percentage of lambs also displayed runny eyes due to ongoing dry conditions grazing on stubbles. Handy line of lambs to tuck away and sell early winter.
