Vendor Comments	Bred from large framed 1st cross ewes and sired by top end Ashbank WhiteSuffolk rams. Only selling early due to prolonged dry spell. Usually with green feed these would be taken out to market topping lambs.
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	An extremely well bred line of 2nd cross lambs in store condition. The Brien family lambs come with our highest recommendation with these lambs in previous years going on to be market topping lambs in normal seasons. Bred from large framed 1st cross ewes that were bred by the Brien family and sired by select, long bodied, high performance Ashbank White Suffolk rams. A genuine sale with the decision to sell with purchasers in mind that the lambs are in the right age and condition to still perform for the new owners. This is the second draft with tail removed and top cut of 241 being offered in same sale to make 472 total over 2 lots.
