Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	On offer is a handy line of feeder lambs ready to feed on. These lambs are only for sale due to the vendor preparing for the up and coming cropping season. They are currently on feeders out in the paddock and would take little work to transition into the feedlot and finish for a quick turnover. These lambs have the genetics to achieve Heavy Trade and Export weights. BUYERS PLEASE NOTE: These lambs were not crutched at assessment but will be market crutched prior to delivery.
