Assessor Comments	Tops of draft 530 Richmond Park mid-Aug/Sep drop feeder lambs. Very well bred with majority in very tight weight range. Will grow on to excellent trade or heavy export lambs, given the opportunity. Up to date with all health treatments. 100% of lambs run over the scales with lambs weighing from 40 to 54kg. All the hard work is done. These lambs would normally be finished on farm to trade and heavy export weights. Richmond Park has been running prime lamb operations for 50+ years. Vendor only selling due to seasonal conditions in the Western District. Well bred, with good frame, they just need feed. NOTE: 1060 lambs in this sale being sold as 2 x 530 lots and a further 800 lighter lambs in this sale.
