| Assessor Comments               | #FLOCK DISPERSAL # Swamp White Dorper Stud have decided to offer this great line of ewes for sale, this represents the best of the White Dorper ewes from the Stud flock. The Stud has some excellent genetics with sires used from Dell and Burrawang. This would be a great opportunity to start a stud or add some fresh genetics to your existing flock.                                 |
