Assessor Comments	Kevin and Gina Feakins are offering their Stud Charollais 2021 Drop Ewes for sale. The property has been sold and this represents an amazing opportunity to purchase Pure Charollais Genetics that the Vendor has been breeding since 2008 with the introduction of Embryo's from the UK. They are OJD Vacc and present in very good condition and are ready to take the Ram in no time. The Feakins are offering another 5 Age Groups of ewes in this sale so purchasers can put together a magnificent line of Pure Charollais Stud Ewes together as they can all be registered with ASSBA. This is a truly unique opportunity that rarely does it present itself to buy some of the most pure Charollais Sheep Genetics in Australia.
