The property has been sold and this represents an amazing opportunity to purchase Pure Charollais Genetics that the Vendor has been breeding since 2008 with the introduction of Embryo's from the UK. They are being offered as 4 Lots of 50 as a Run Out The Gate. They are OJD Vacc and have had their first Glanery Vaccination with their Booster being administered prior to delivery. The Lambs present in very good condition and will be ready to take the Ram in no time.
