Assessor Comments	A small run of ewes in good order that are only being offered to lighten the load due to lack of early summer rains. Have done a good job on their lambs and would expect that they would continue to do so into the future for the successful purchaser. Vendor also has 6 decks of store lambs for offer in the lamb sale. All ewes assessed had good strong mouths and coming off of mulga country would expect them to have plenty of productive years ahead of them.
