Assessor Comments	A good line of vendor bred Haddon rig large frame ewes with years of classing. This line of ewes has always produced over 100% lambing each year. They will suite anyone wanting to produce a cross of your choice. They will respond well to fresh feed then join. At 5 years they have life left in them and good quality high 19 mic wool to cut they will easily pay for them selves and some in the first 12 month.
