Assessor Comments	A Magnificent line of good honest 1st cross ewes, in the peak of their breeding lives, A good solid Stretchy sheep in general. These ewes have all weaned lambs at 120% last season in a tough lambing season. They are mulsed, Gudair vaccinated and had a scabiguard at marking. They were drenched at shearing. Ewes have been on the improve after lambs were weaned and will be ready to join. A notable trait was there wool (see testing). Genuine 2022 drop vendor bred ewes that will preform for you.
