Assessor Comments	An outstanding line of 5 1/2 year old pure "Corella" blood Merino ewes. All ewes have reared a lamb annually and had lambs weaned off 2 weeks ago. Ewes are classed in breeders and are only for sale due to dry conditions. Ewes were mouthed and udders were checked and any ewes with faults were removed. Vendors are highly regarded for their livestock and are also highly regarded for their wool. Ewes come with my highest recommendation and would be an asset to most merino flocks.
