No known contact with shedding breeds

Skin Comment

Typical shorn pelts. Clean, light dust in tip.

Wool Comment

Nareen Station objectives are to breed sheep that are capable of cutting large quantities of white bright and stylish wool between 18-19 microns.

Vendor Bred

Yes

Stock History

These sheep are bred on Nareen Station. They were trucked to this property 'Boyong' in the autumn, and have been grown out, shorn and prepared for this sale today.

Bloodlines

Each year the surplus 2 year old ewes on the property are grown out for the Annual Production Sale on Auctionsplus.

Grazing Conditions

These sheep are grazing on improved clover, rye and phalaris based pastures.

Returned same

Introduced Sheep Footrot	Rams Only have been introduced onto the consignment property in the last 5 years All consigned sheep are from a flock that is free of Virulent Footrot Consigned sheep are from a flock that is NOT free of Benign Footrot or Scald Further Information: The vendor has 25,000 breeding ewes in operation. The vendor expects to see some scald in some mature sheep in some spring seasons. These sheep have been through the footbath post shearing as a general husbandry practice. Feet were not inspected at assessment

Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	This is the final draft of the Nareen Station bred ewes 2 year old ewes offered in the Nareen Station Annual Production Sale. Nareen Station aims to breed sheep which are highly productive and easy care. The breeding objectives in the commercial flock are to have adult sheep which are 18-19 micron and capable of cutting large quantities of white, bright, stylish wool whilst retaining size and reproductive performance on plain bodied sheep. They are ideal sheep to purchase for any wool operation, and have good size and structure for any cross breeding operation. All sheep in this assessment have been treated with Avenge-please note that this is a precautionary treatment and a practice taken out on all ewes in the Nareen Station Annual Production Sale.
