Assessor Comments	On offer is a nice line of 2.5 year old Poll Merino Ewes. These cracking young ewes have strong Badaloo bloodlines and achieved 100% on their first lambing last year. Presenting bright, white wool, these ewes sit at an average of 18 micron and will suit a merino or terminal ram for the prospective purchaser. With all relevant animal health treatments up to date, these ewes will take no time at all to be ready for another successful joining for many years to come. This small line of medium framed, low maintenance ewes present no tail and will be the perfect addition to anyone looking to bring in high quality breeding stock to their enterprise. 100% of the mob weighed/assessed, vendor also has 200 Ewe Hoggets available in this sale of a similar type.
