| Vendor Comments              | A very nice line of classed-in breeding ewes. Only selling as transitioning into cattle. These maiden ewes are primed for their first joining and show produce good results under the correct management moving forward.                                                                                                                                                                                                                                                                                                                                                                                                              |            |               |

| Assessor Comments            | On offer is a nice line of 200 Poll Merino Ewe Hoggets. These cracking young ewes have strong Moorundie Park bloodlines and are primed for their first incoming joining. With a nice medium frame and relatively plain body type, these Hoggets produced bright, white wool testing at an average of 18 micron and will suit a merino or terminal ram for the prospective purchaser. With all relevant animal health treatments up to date, these young future breeders are an exciting investment in the future of your breeding flock for years to come. Don't miss out on this classed in and even line of impressive young sheep. |            |               |
