Assessor Comments	Vendor has presented for sale, a quality line of DORPER EWES, all robust & in forward store condition. Ewes are well bred with good genetics, well managed & they are quiet by nature, with good yard sense & are familiar with 'Feeders'. Please note these ewes have been subject to a 'chance joining' to quality Dorper Rams with the potential of most of these ewes in lamb. However, no guarantee is offered. These ewes represent an ideal opportunity to producers looking for a 'start up' flock to enter the 'prime lamb' market.
