Assessor Comments	On offer are 270 NSM Merino ewes. Yarrowong and Airlie bloodlines with strict culling each year. Ewes present with a big jacket and would benefit from shearing to freshen them up. The O'Reilly's averaged 5kg and 17 micron at last years shearing and a 110% scanning percentage on these ewes. Although at the back end of their breeding lives still a few good lambings and multiple shearings left.
