Assessor Comments	Nice quality small line of NSM maiden merino ewes. Ewes are sired by Richmond merino rams and represent vendors second line of classed ewes. They would generally be retained into vendors terminal sired program for spring lambing. Ewes carry a clean bill of health and if shown the right opportunity should mature into a nice line of medium frame females. A visual draft was done pre assessment based on type to present an even line. Vendor offering two other lots in this sale.
