| Assessor Comments                     | An excellent line of Red Angus steers, second run of the 2024 drop and very even in frame and type. All showing good healthy coats and starting to do well coming out of the winter. Classed for the larger frames and shape. Vendor is always sourcing good genetics with a focus on EMA and IMF which has shown in previous years results. Another lot of 20 steers in this sale.          |
