	These cattle were all easy enough to draft out of a large yard. They all flowed through the race and scales with little to no fuss. Some calves would stir under pressure but soon settled once mobbed back up.		
Handled With	Bikes , On foot		
Assessor Comments	Buyers on offer we have a well presented draft of Limousin Angus cross heifers showing excellent length and frame. These heifers ooze thickness and muscle where it's needed showing the real benefit of a hybrid influence. These heifers are on a great forward run and wont take much to turn into heavy trade types provided the feed opportunity coming into spring.
