Assessor Comments	An excellent opportunity to secure a line of one mark Poll Hereford Future Breeder Heifers over three lots. On offer is the top draft out of a total of 56hd. Quamby Plains have been breeding Poll Hereford bulls for many years resulting in an excellent commercial herd focusing on fertility, carcass traits and temperament. These Heifers were a pleasure to assess and handle in the yards showing exceptional length and shape. They have been running on a Turnip/Kale crop over winter and are now in the process of losing their coats running on fertilized green grass and Lucerne. Suitable to join now as young heifers or run on to join at a larger mature size. These heifers have the ability to grow into front paddock cows that will stand up in all conditions. Good feet and conformation are qualities that Quamby Plains are known for in their stud & commercial herd. ** Buyers please note ** Vendor has 3 lots of heifers in sale. 1sts - 15hd 2nds - 21hd 3rds - 20hd
