Assessor Comments	Very well bred line of mixed age White Suffolk ewes from the heart of the Sunnyridge Stud. Ewes are genuine large frame and very true to type. They exhibit excellent fertility and annually pave the way for their White Suffolk ram breeding enterprise. Stud sires are sourced from Leachim White Suffolk stud when required. This represents a full flock dispersal and an ideal opportunity to invest into very good white suffolk genetics, with their entire stud on offer in respective groups. Please note ewes are due for a crutch. Please call for further information.
