Assessor Comments	Well bred line of NSM mixed age ewes representing the heart of the Kullingrah operation's stud ewe program. Ewes are true to type and these ewes represent many years of astute breeding and are now offered for genuine sale as the property is sold. They present in forward store to slightly forward condition and are genuine large frame types . Ewes are classed heavily each year with a strong focus on conformation and fertility. Please note vendor offering other lines of stud ewes and rams in a complete dispersal. Note ewes are due for a crutch. Please call for further information.
