Assessor Comments	Well bred line of NSM May/June 2024 drop ewes representing the maiden portion of the Kullingrah operation's stud ewe program. Ewes are true to type and these ewes represent many years of astute breeding and are now offered for genuine sale as the property is sold. They present in slightly forward condition and are larger frame types. Ewes are classed heavily each year with a strong focus on conformation and fertility. Please note vendor offering other lines of stud ewes and rams in a complete dispersal. Note ewes are due for a crutch. Please call for further information.
