Assessor Comments	Well bred line of May/June 2025 drop ewe lambs representing the youngest portion of the Kullingrah operation's stud ewe program. Ewes are true to type and these ewes represent many years of astute breeding and are now offered for genuine sale as the property is sold. Ewes are performing well in a good season and are bred from genuine large frame females. Ewes are classed heavily each year with a strong focus on conformation and fertility. Please note vendor offering other lines of stud ewes and rams in a complete dispersal. Note ewes are due for a crutch. Ewes will be weaned at delivery. Please call for further information.
