Vendor Comments	Very impressive drop of Angus Steers showing impressive growth and composition for age. Vendor only selling due to seasonal conditions, would other wise take to heavier weights.

Steers flowed through yards very well with ease only stirring if singled out, to be expected. Credit to vendor for the temperament of their cattle as it is one of their main focuses in their operation.

Assessor Comments

A very attractive line of vendor bred Angus steers. Steers have been weaned and although dry seasonal conditions have been powering ahead. Right Time and Temania Angus bloodlines proving strong throughout steers showing excellent growth for age as well as structural correctness and great temperament. Known to be very well doing cattle, steers will not disappoint. **Please note vendor also has the heifer sisters listed in the same sale**
