Assessor Comments	Excellent quality line of February/ March '25 drop EU accredited Heifers from a long-term Team Te Mania herd, to be offered in two lots of 84 head (two decks). Please note the property has road train access if looking to put together four decks. All weighed 200kg+ to average 271kg full (200-352kg) at assessment. They present in strong store condition and would be ideal heifers to take on for a trade opportunity or to join once they reach joinable weights to the sire of your choice given their genetic background. All heifers are considered very quiet & easy to handle in the yards & crush. This represents the complete drop with a small tail removed at assessment. Please note Approx 10% of this group have worts around head/neck. Vendor also offering 112 Steers in this sale.
