Assessor Comments	A Very good quality line of Steers. These Steers have come through a tough tablelands winter and are ready to hit their straps. These steers are usually sold at 440kg at 12-13 months of age but this year the season hasn't gone with us. Steers show good length and structure to suit any desired market. Steer have averaged 1.8kg a day for the last 42 days Please call for more info
