Very good cattle to handle, the flowed through the yards at assessment with ease.

Handled With: On foot , Vehicles

Notable Traits

	Traits
1 Head	White under flank

Assessor Comments	A very nice line of vendor bred Angus steers that carry Table Top and Alpine Angus blood. These steers are backed by lots of genetic power with the vendor focusing on positive carcass traits high growth and docility. These steers will grow on to be wonderful feeders or big bullocks have given great satisfaction in the past. Steers have been through a very extensive weaning and handling process that has made them a pleasure to handle through the assessment process.
