Assessor Comments A class line of young Heifers, Only offered for sale due to being surplus to requirements. Out of a large framed self replacing herd of females. These Heifers carry +30 years of select Te Mania & Ardrossan Genetics with the cow herd being heavily classed & no expense being spared when selecting sires. A quality line of Angus Heifers that would suit any market. Good long bodies, with plenty of depth & frame. These Heifers are just starting to benefit from the quality spring grass. A one mark line of Heifers that would suit to join and bring quality genetics in to your breeding program. Alternatively, if looking for a trade/backgrounding article, these Heifers have the frame and style to stack on the weight, with their brothers being keenly sought after by high end feedlots & the added bonus of Greenhams Never Ever accreditation.
