		Animals handled fairly well in yards and crush, do show signs of a little bit of run but are not aggressive. Typical of cattle running in a large mob		
Handled With	Bikes , Vehicles			
Assessor Comments	A well bred pen of heifers that are ideal to turn out on feed, have had a tough start and are running in a very wet & cold area, will respond to a bit of warm weather. Cattle are a little flighty but have not had a lot of handling, not aggressive. Were weighed after a full over night curfew. NB: vendor also has 42 steers in same sale.
