Assessor Comments	Buyers offered are 51 Superb Euro baby bullocks, average 387.5kg curfewed at delivery, August/September 2024 drop. Steers exhibit an outstanding amount of bone and muscle, while still maintaining some softness, tremendous length & depth, not carrying much condition. Purchased directly from Wirrabilla Fleckvieh Stud at Taralga as weaners in he autumn , have been through a tough central tablelands winter, but have gained weight and grown out very well . Only selling due to a dryer period. Perfectly ideal heavy backgrounder steers almost all ideal for the feedlot, would absolutely impress on feed, destine to make cracking bullocks. Vendor drenched them with Cydectin in mid-November, steers have done nothing but jump ahead since then. Great opportunity to purchase 2 decks of high class, well bred Steers.
