Steers that are quiet and easy to handle. They flowed through the yards with ease and over the scales with ease.

Handled With: On foot , Vehicles

Assessor Comments: A small but very quiet line of yard weaned vendor bred Angus steers. Sired by the Pines Pastoral Angus bulls. These Steers were an absolute pleasure to handle and moved throughout the yards with ease. Steers have had two 5 in 1 vaccines as well as a Piliguard vaccine. Well bred steers that will continue on well to feeder weights or to feed on to kill

	weights given the opportunity.
