	The steers were generally very good to handle. 4 steers exited the crush a little faster than the others, but they moved freely, blocked up well and were a pleasure to assess.
Handled With	Bikes , On foot , Vehicles
Assessor Comments	Well grown, fresh F1 steers. NOTE - 1 steer is a F2. Well grown, fresh, great to handle through the yards. These steers are ready to perform and would make excellent heavy feeders or grow out to bullocks. Odd old ringworm and a small % of warts on heads and necks. Vendor has another lot of 13 F1 heifers in this sale.
