Assessor Comments	An excellent opportunity to purchase a very well bred line of Angus Steers in store to forward store condition. The Wortmann family have been breeding Angus cattle at Granya for the past 40 years. These steers are becoming an annual offering on Auctions Plus, prior to that they were sold in the January Wodonga Blue Ribbon Angus Weaner sale, attracting repeat buyers which testifies to their performance & do-ability. These weaners show great frame, stretch & softness and are ideal to grow out to heavy feeders or fatten into bullocks. Agents highest recommendation. Tail draft removed. *Grass Fed & No Antibiotics*
