Assessor Comments	Presenting an exceptional line of 108 Angus heifers, all bred from high performance Rennylea sires selected for growth, fertility, structural correctness & carcase traits. These heifers are 13-14mths old & stand as an impressive representation of the consistency shown from Rennylea genetics. These females are from a herd that has been aligned with Rennylea for over 20+ yrs & have selected sires for industry leading EBVs so would be ideal to take home & target any program. Heifers are all up to date with their animal health treatments & come with the added bonus of top quality grass only accreditation. Please note the 2 pick up locations of vendors farms, with in 10mins of each other. Please call if more info is needed.
