Assessor Comments	91 Angus x Angus, 2 Angus x Angus/Hereford and 1 Angus x Hereford steer to total 94 head. Backgrounder steers that are acclimatised to the SW Victoria and really on the do due to favourable spring conditions. Purchased in late June - early July as part of vendor's evolving program. Being offered for sale to make room for other mouths. These steers have performed very well as a group since purchasing. They are a pleasure to handle and are very comfortable with human interaction and were pleasant through the assessment process. 100% antibiotic free and grass fed only. 100% weighed to range from 256-456kg full and the majority were from 300-400kg. A small tail was removed at assessment. They are not overdone and carry light fat cover offering compensatory weight gains with increased nutrition. A quality line of Angus steers that are suited to a range of programs.
