Assessor Comments	Noorinya Angus, Coleraine, Vic, will offer 91 Angus Steers 14 - 15 months, Dollar Angus Bld, PCAS Eligible, Grass fed & Antibiotic Free. Steers will present in good fresh healthy store condition. all individually weighed from 350 - 398 kgs to Ave 377 kgs at assessment. These steers are extremely well bred out of large frame Angus cows, bred by Dollar Angus bulls, they display great, bone, width, depth & softness. The steers are proven performers and would be ideal to finish on grass or grain for trade and export markets. Steers were an absolute pleasure to handle; these steers come with my highest recommendations and will not disappoint. Note steers had walked 10 km morning of prior to assessing, so getting a good curfew weight.
