Assessor Comments	Noorinya Angus, Coleraine, Vic, will offer 85 Angus Steers 14 - 15 months, Dollar Angus Bld, PCAS Eligible, Grass fed & Antibiotic Free. Steers will present in good fresh healthy store condition weighing from 400 - 485 kgs to Ave 427kgs at assessment. These steers are extremely well bred out of large frame Angus cows, bred by Dollar Angus bulls, they display great, bone, width, depth & softness. The steers are proven performers and would be ideal to finish on grass or grain for trade and export markets. Steers were an absolute pleasure to handle; these steers come with my highest recommendations and will not disappoint. Note steers had walked 10 km morning of prior to assessing, so getting a good curfew weight.
