| Assessor Comments      | A great opportunity to purchase a straight line of 116 Angus Steers presenting in strong fresh forward condition. Ideal young steers with good stretch, bone and frame to place onto feed to grow out as big large bullocks. These steers are well bred from recognized stud sires. As these steers are out of a cold wet climate they are showing improvement daily now that the weather is warming up. These steers are well weaned and have been worked with dogs so a very quiet to handle. Highly recommend these steers to any purchaser. |
