| Handled With | Cattle are good unless pushed and load noises. Not a problem to walk around. Once in there lines they are no problem. Vehicles |      |                                                             |      |                                     |     |

|                   |                                                                                                                                                                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments | Watervalley will offer 68 Angus steers been a run out the gate from a line of 170 steer. . This line has been Individually weighed presenting in fresh forward condition and are improving daily now on good hard feed. This line are a even line |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

drafted for quality and type. They have been subjected to dryer conditions, capable of fast compensatory weight gains. Weaned at different times from multiple mobs. Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. Vendor has other line in this sale, which may help with truck loads.
