Handled With	Generally quiet until been pushed pushed. get a little stirry under a lot of noise. Vehicles
Assessor Comments	Watervalley Mt Scott will offer lines of 100 steers been a run out the gate from a assessed group of 300 steers, Purchaser has the ability in buying straight lines of steers showing good bone, frame and stretch. They are a run of handy Angus steers showing improvement daily now on a good hard green pick . These steers have come through dry seasons fed on hay. Ideal to background/turn out to a paddock or feed lot to heavy weights. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. Vendor has other lines in this sale to help make up truck loads. These steers are very even and weighed as a group from 240 to 280 kg. Highly recommend these cattle.
