Assessor Comments	Drought forces sale of these lambs. Lambs are in good condition given the seasonal conditions. Lambs are well bred from good dorper ewes purchased by good quality Dorper Rams from Bellevue and Amarula Studs. Lambs are being fed good quality hay and cotton seed in the yards until delivery. Opportunity to purchase light lambs that still have the potential to be good trade lambs on good feed. 30 older lambs in the mob (march/april 2025) that still have good lambs teeth (photo attached).
