| Assessor Comments                     | 410 Mixed Sex Store Lambs, Sept / October drop 25, Lambs are out of long standing Langdene blood merino ewe base by Narranmore Poll Dorset Rams & White Suffolk rams. Powering ahead on a 70% barley & 30% DDG pellet mix currently, these lambs would normally be carried through to meet heavy export weights and will continue to do so given the right opportunity. Buyers here is a great opportunity to secure some lambs that have all the hard work done and are on track for a great result, bid with confidence. |                |  |           |     |      |     |
