Assessor Comments	A classy line of young, join-able 1st Cross ewe lambs. Bred from large framed, quality classed in, Langdene blood Merino ewes and sired by Coinda Border Leicester rams. The Freeth family have been breeding quality 1st Cross ewes for over 25 years and often renown for topping local saleyard sales such as Narromine in its hay day. These ewes are doing exceptionally well given the harsh seasonal conditions they have faced with only some but not full supplementary feeding. A real credit to their quality. In ideal weight and condition to adapt to their new environment and join to your choice of rams.
