Assessor Comments	Watervalley Westlands offering 385 Merino Wether lambs June/July 2025 drop, Currently in forward store condition drafted for freshness. This spring has been a slow start however the lambs are showing frame and freshness, and they will perform well for those buyers wanting to grow lambs out into trade and export weights. Bred out of Medium to Large framed Watervalley Merino Ewes. Watervalley ewes are well known for their doing ability. Vendor has another 2 lines ewe lambs in this sale from this property, which may help with truck loads. Buyers be advised that lambs have seed in the wool but on inspection does not seem to have penetrated the skin.
