Assessor Comments	Quality line of 154 classed in Dohne ewe lambs which are April/May 2025 drop, Nov shorn. Ewe lambs present in strong forward store condition and show good growth for age and will grow into large frame ewes, with a rebate of 40-50mm wool on their backs. Sale is due to loss of lease property. Vendor has been on Mt Alma blood for 10+ years and selected rams that have bright, white, stylish wool, large frame and plain bodies. Ewes cut 5-6kg of wool, 19.5 micron with 67% yield. This line of Dohne ewe lambs would be a great purchase as a flock addition or mob on their own.
