Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	A very neat line of 2nd X suckers thriving on grazing crop, lambs are normally held out and sold at export weights but are being offered early this year to allow room for extra females coming through. Vendor pays extra attention to detail than most producers and offers stock that perform given the opportunity. They come with the highest recommendation, meaning buyers can bid with confidence.
