Assessor Comments	Buyers, on offer is a good line of PARKDALE SRS wether lambs. Lambs were purchased direct from PARKDALE commercial flock in April. Lambs offer nice length and frame of body. Lambs are developing well and have improved considerably since arriving from Bourke, in doing so the breeding and constitution of these animals is really evident. The PARKDALE flock breed lambs that are easy care, early maturing with large eye muscle area allowing the lambs given the opportunity to finish into export weights. Lambs appear to be ready to perform buyers bid with confidence. Please call with any questions.
